

Deep Conversation Topics

Subjects rather than questions — pick one and see how far it goes.

HOW TO USE THIS DECK

1. Print on A4. Card stock works best, plain paper is fine.
2. Cut along the grey lines - nine cards per sheet.
3. Keep the three levels in separate piles, or shuffle them together.
4. One person reads a card. Everyone answers. No skipping twice in a row.

LEVELS

Openers - 20 cards

Real Ground - 20 cards

Late and Honest - 20 cards
