

Funny Conversation Starters

Questions that get a laugh first and an actual answer second.

HOW TO USE THIS DECK

1. Print on A4. Card stock works best, plain paper is fine.
2. Cut along the grey lines - nine cards per sheet.
3. Keep the three levels in separate piles, or shuffle them together.
4. One person reads a card. Everyone answers. No skipping twice in a row.

LEVELS

Silly - 20 cards

Odd - 20 cards

Unhinged - 20 cards
