

Never Have I Ever

From harmless to genuinely incriminating. Three levels, so you choose how bad it gets.

HOW TO USE THIS DECK

1. Print on A4. Card stock works best, plain paper is fine.
2. Cut along the grey lines - nine cards per sheet.
3. Keep the three levels in separate piles, or shuffle them together.
4. One person reads a card. Everyone answers. No skipping twice in a row.
