

Road Trip Questions

For hour three, when the playlist has run out and nobody wants another podcast.

HOW TO USE THIS DECK

1. Print on A4. Card stock works best, plain paper is fine.
2. Cut along the grey lines - nine cards per sheet.
3. Keep the three levels in separate piles, or shuffle them together.
4. One person reads a card. Everyone answers. No skipping twice in a row.

LEVELS

Mile 1 - 20 cards

Mile 100 - 20 cards

Mile 300 - 20 cards
