

Thanksgiving Questions

For a long table, mixed generations, and at least one conversation nobody wants to have.

HOW TO USE THIS DECK

1. Print on A4. Card stock works best, plain paper is fine.
2. Cut along the grey lines - nine cards per sheet.
3. Keep the three levels in separate piles, or shuffle them together.
4. One person reads a card. Everyone answers. No skipping twice in a row.
